The planning commission of a local unit of government shall be officially called "the planning commission", even if a charter, ordinance, or resolution uses a different name such as "plan board" or "planning board".

(2) Within 14 days after a local unit of government adopts an ordinance under subsection (1) creating a planning commission, the clerk of the local unit shall transmit notice of the adoption to the planning commission of the county where the local unit is located. However, if there is not a county planning commission or if the local unit adopting the ordinance is a county, notice shall be transmitted to the regional planning commission engaged in planning for the region within which the local unit is located. Notice under this subsection is not required when a planning commission created before the effective date of this act continues in existence under this act, but is required when an ordinance governing or creating a planning commission is amended or superseded under section 81(2)(b) or (3)(b).

(3) If, after the effective date of this act, a city or home rule village adopts a charter provision providing for a planning commission, the charter provision shall be implemented by an ordinance that conforms to this act. Section 81(2) provides for the continuation of a planning commission created by a charter provision adopted before the effective date of this act.

(4) Section 81(3) provides for the continuation of a planning commission created under a planning act repealed under section 85.

(5) Section 83 provides for the continued exercise by a planning commission, or the transfer to a planning commission, of the powers and duties of a zoning board or zoning commission.

Sec. 13. (1) Subject to subsection (2), a township ordinance creating a planning commission under this act shall take effect 63 days after the ordinance is published by the township board in a newspaper having general circulation in the township.

(2) Subject to subsection (3), before a township ordinance creating a planning commission takes effect, a petition may be filed with the township clerk requesting the submission of the ordinance to the electors residing in the unincorporated portion of the township for their approval or rejection. The petition shall be signed by a number of qualified and registered electors residing in the unincorporated portion of the township equal to not less than 8% of the total vote cast for all candidates for governor, at the last preceding general election at which a governor was elected. If such a petition is filed, the ordinance shall not take effect until approved by a majority of the electors residing in the unincorporated portion of the township voting thereon at the next regular or special election that allows reasonable time for proper notices and printing of ballots or at any special election called for that purpose, as determined by the township board. The township board shall specify the language of the ballot question.

(3) Subsection (2) does not apply if the planning commission created by the ordinance is the successor to an existing zoning commission or zoning board as provided for under section 301 of the Michigan zoning enabling act, 2006 PA 110, MCL 125.3301.

(4) If a township board does not on its own initiative adopt an ordinance under this act creating a planning commission, a petition may be filed with the township clerk requesting the township board to adopt such an ordinance. The petition shall be signed by a number of qualified and registered electors as provided in subsection (2). If such a petition is filed, the township board, at its first meeting following the filing shall submit the question to the electors of the township in the same manner as provided under subsection (2).

(5) A petition under this section, including the circulation and signing of the petition, is subject to section 488 of the Michigan election law, 1954 PA 116, MCL 168.488. A person who violates a provision of the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992, applicable to a petition described in this section is subject to the penalties prescribed for that violation in the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992.

Members of a planning commission other than ex officio members under subsection (5) shall be appointed for 3-year terms. However, of the members of the planning commission, other than ex officio members, first appointed, a number shall be appointed to 1-year or 2-year terms such that, as nearly as possible, the terms of 1/3 of all the planning commission members will expire each year. If a vacancy occurs on a planning commission, the vacancy shall be filled for the unexpired term in the same manner as provided for an original appointment. A member shall hold office until his or her successor is appointed.

(3) The membership of a planning commission shall be representative of important segments of the community, such as the economic, governmental, educational, and social development of the local unit of government, in accordance with the major interests as they exist in the local unit of government, such as agriculture, natural resources, recreation, education, public health, government, transportation, industry, and commerce. The membership shall also be representative of the entire geography of the local unit of government to the extent practicable.

(4) Members of a planning commission shall be qualified electors of the local unit of government, except that the following number of planning commission members may be individuals who are not qualified electors of the local unit of government:

(b) 2, in a city or village that has, or on the effective date of this act had, a population of less than 5,000, except as provided in subdivision (a).

(c) 1, in local units of government other than those described in subdivision (a) or (b).

(5) In a township that on the effective date of this act had a planning commission created under former 1931 PA 285, 1 member of the legislative body or the chief elected official, or both, may be appointed to the planning commission, as ex officio members. In any other township, 1 member of the legislative body shall be appointed to the planning commission, as an ex officio member. In a city, village, or county, the chief administrative official or a person designated by the chief administrative official, if any, the chief elected official, 1 or more members of the legislative body, or any

combination thereof, may be appointed to the planning commission, as ex officio members, unless prohibited by charter. However, in a city, village, or county, not more than 1/3 of the members of the planning commission may be ex officio members. Except as provided in this subsection, an elected officer or employee of the local unit of government is not eligible to be a member of the planning commission. The term of an ex officio member of a planning commission shall be as follows:

(a) The term of a chief elected official shall correspond to his or her term as chief elected official.

(b) The term of a chief administrative official shall expire with the term of the chief elected official that appointed him or her as chief administrative official.

(c) The term of a member of the legislative body shall expire with his or her term on the legislative body.

(6) For a county planning commission, the county shall make every reasonable effort to ensure that the membership of the county planning commission includes a member of a public school board or an administrative employee of a school district included, in whole or in part, within the county's boundaries. The requirements of this subsection apply whenever an appointment is to be made to the planning commission, unless an incumbent is being reappointed or an ex officio member is being appointed under subsection (5).

(7) Subject to subsection (8), a city or village that has a population of less than 5,000, and that has not created a planning commission by charter, may by an ordinance adopted under section 11(1) provide that 1 of the following boards serve as its planning commission:

(a) The board of directors of the economic development corporation of the city or village created under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636.

(b) The board of a downtown development authority created under 1975 PA 197, MCL 125.1651 to 125.1681, if the boundaries of the downtown district are the same as the boundaries of the city or village.

(c) A board created under the tax increment finance authority act, 1980 PA 450, MCL 125.1801 to 125.1830, if the boundaries of the authority district are the same as the boundaries of the city or village.

(8) Subsections (1) to (5) do not apply to a planning commission established under subsection (7). All other provisions of this act apply to a planning commission established under subsection (7).

(9) The legislative body may remove a member of the planning commission for misfeasance, malfeasance, or nonfeasance in office upon written charges and after a public hearing. Before casting a vote on a matter on which a member may reasonably be considered to have a conflict of interest, the member shall disclose the potential conflict of interest to the planning commission. The member is disqualified from voting on the matter if so provided by the bylaws or by a majority vote of the remaining members of the planning commission. Failure of a member to disclose a potential conflict of interest as required by this subsection constitutes malfeasance in office. Unless the legislative body, by ordinance, defines conflict of interest for the purposes of this subsection, the planning commission shall do so in its bylaws.

(10) An ordinance creating a planning commission may impose additional requirements relevant to the subject matter of, but not inconsistent with, this section.

Sec. 17. (1) A planning commission shall elect a chairperson and secretary from its members and create and fill other offices as it considers advisable. An ex officio member of the planning commission is not eligible to serve as chairperson. The term of each officer shall be 1 year, with opportunity for reelection as specified in bylaws adopted under section 19.

(2) A planning commission may appoint advisory committees whose members are not members of the planning commission.

Sec. 19. (1) A planning commission shall adopt bylaws for the transaction of business, and shall keep a public record of its resolutions, transactions, findings, and determinations.

(2) A planning commission shall make an annual written report to the legislative body concerning its operations and the status of planning activities, including recommendations regarding actions by the legislative body related to planning and development.

Sec. 21. (1) A planning commission shall hold not less than 4 regular meetings each year, and by resolution shall determine the time and place of the meetings. Unless the bylaws provide otherwise, a special meeting of the planning commission may be called by the chairperson or by 2 other members, upon written request to the secretary. Unless the bylaws provide otherwise, the secretary shall send written notice of a special meeting to planning commission members not less than 48 hours before the meeting.

(2) The business that a planning commission may perform shall be conducted at a public meeting of the planning commission held in compliance with the open meetings act, 1976 PA 267, MCL 15.261 to 15.275. Public notice of the time, date, and place of a regular or special meeting shall be given in the manner required by that act.

(3) A writing prepared, owned, used, in the possession of, or retained by a planning commission in the performance of an official function shall be made available to the public in compliance with the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

Sec. 23. (1) Members of a planning commission may be compensated for their services as provided by the legislative body. A planning commission may adopt bylaws relative to compensation and expenses of its members and employees for travel when engaged in the performance of activities authorized by the legislative body, including, but not limited to, attendance at conferences, workshops, educational and training programs, and meetings.

(2) After preparing the annual report required under section 19, a planning commission may prepare a detailed budget and submit the budget to the legislative body for approval or disapproval. The legislative body annually may appropriate funds for carrying out the purposes and functions permitted under this act, and may match local government funds with federal, state, county, or other local government or private grants, contributions, or endowments.

(3) A planning commission may accept gifts for the exercise of its functions. However, in a township, other than a township that on the effective date of this act had a planning commission created under former 1931 PA 285, only the township board may accept such gifts, on behalf of the planning commission. A gift of money so accepted in either case shall be deposited with the treasurer of the local unit of government in a special nonreverting planning commission fund for expenditure by the planning commission for the purpose designated by the donor. The treasurer shall draw a warrant against the special nonreverting fund only upon receipt of a voucher signed by the chairperson and secretary of the planning commission and an order drawn by the clerk of the local unit of government. The expenditures of a planning commission, exclusive of gifts and grants, shall be within the amounts appropriated by the legislative body.

Sec. 25. (1) A local unit of government may employ a planning director and other personnel as it considers necessary, contract for the services of planning and other technicians, and incur other expenses, within a budget authorized by the legislative body. This authority shall be exercised by the legislative body, unless a charter provision or ordinance delegates this authority to the planning commission or another body or official. The appointment of employees is subject to the same provisions of law as govern other corresponding civil employees of the local unit of government.

(2) For the purposes of this act, a planning commission may make use of maps, data, and other information and expert advice provided by appropriate federal, state, regional, county, and municipal officials, departments, and agencies. All public officials, departments, and agencies shall make available public information for the use of planning commissions and furnish such other technical assistance and advice as they may have for planning purposes.

### ARTICLE III. PREPARATION AND ADOPTION OF MASTER PLAN

Sec. 31. (1) A planning commission shall make and approve a master plan as a guide for development within the planning jurisdiction subject to section 81 and the following:

(a) For a county, the master plan may include planning in cooperation with the constituted authorities for incorporated areas in whole or to the extent to which, in the planning commission's judgment, they are related to the planning of the unincorporated territory or of the county as a whole.

(b) For a township that on the effective date of this act had a planning commission created under former 1931 PA 285, or for a city or village, the planning jurisdiction may include any areas outside of the municipal boundaries that, in the planning commission's judgment, are related to the planning of the municipality.

(2) In the preparation of a master plan, a planning commission shall do all of the following, as applicable:

(a) Make careful and comprehensive surveys and studies of present conditions and future growth within the planning jurisdiction with due regard to its relation to neighboring jurisdictions.

(c) Cooperate with all departments of the state and federal governments and other public agencies concerned with programs for economic, social, and physical development within the planning jurisdiction and seek the maximum coordination of the local unit of government's programs with these agencies.

(3) In the preparation of the master plan, the planning commission may meet with other governmental planning commissions or agency staff to deliberate.

(4) In general, a planning commission has such lawful powers as may be necessary to enable it to promote local planning and otherwise carry out the purposes of this act.

Sec. 33. (1) A master plan shall address land use and infrastructure issues and may project 20 years or more into the future. A master plan shall include maps, plats, charts, and descriptive, explanatory, and other related matter and shall show the planning commission's recommendations for the physical development of the planning jurisdiction.

(e) Recommendations for implementing any of the master plan's proposals.

(3) If a master plan is or includes a master street plan, the means for implementing the master street plan in cooperation with the county road commission and the state transportation department shall be specified in the master street plan in a manner consistent with the respective powers and duties of and any written agreements between these entities and the municipality.

(4) This section is subject to section 81(1).

Sec. 35. A planning commission may, by a majority vote of the members, adopt a subplan for a geographic area less than the entire planning jurisdiction, if, because of the unique physical characteristics of that area, more intensive planning is necessary for the purposes set forth in section 7.

Sec. 37. (1) A county board of commissioners may designate the county planning commission as the metropolitan county planning commission. A county planning commission so designated shall perform metropolitan and regional planning whenever necessary or desirable. The metropolitan county planning commission may engage in comprehensive planning, including, but not limited to, the following:

Sec. 39. (1) A master plan shall be adopted under the procedures set forth in this section and sections 41 and 43. A master plan may be adopted as a whole or by successive parts corresponding with major geographical areas of the planning jurisdiction or with functional subject matter areas of the master plan.

(2) Before preparing a master plan, a planning commission shall send to all of the following, by first-class mail or personal delivery, a notice explaining that the planning commission intends to prepare a master plan and requesting the recipient's cooperation and comment:

(3) A submittal under section 41 or 43 by or to an entity described in subsection (2) may be made by personal or first-class mail delivery of a hard copy or by electronic mail. However, the planning commission preparing the plan shall not make such submittals by electronic mail unless, in the notice described in subsection (2), the planning commission states that it intends to make such submittals by electronic mail and the entity receiving that notice does not respond by objecting to the use of electronic mail. Electronic mail may contain a link to a website on which the submittal is posted if the website is accessible to the public free of charge.

Sec. 41. (1) After preparing a proposed master plan, a planning commission shall submit the proposed master plan to the legislative body for review and comment. The process of adopting a master plan shall not proceed further unless the legislative body approves the distribution of the proposed master plan.

(2) If the legislative body approves the distribution of the proposed master plan, it shall notify the secretary of the planning commission, and the secretary of the planning commission shall submit, in the manner provided in section 39(3), a copy of the proposed master plan, for review and comment, to all of the following:

(a) For any local unit of government proposing a master plan, the planning commission, or if there is no planning commission, the legislative body, of each municipality located within or contiguous to the local unit of government.

(e) For a municipality proposing a master plan, the county planning commission, or if there is no county planning commission, the county board of commissioners, for the county in which that municipality is located. The secretary of the planning commission shall concurrently submit to the county planning commission, in the manner provided in section 39(3), a statement that the requirements of subdivision (a) have been met or, if there is no county planning commission, shall submit to the county board of commissioners, in the manner provided in section 39(3), a statement that the requirements of subdivisions (a) and (d) have been met. (f) For any local unit of government proposing a master plan, each public utility company and railroad company owning or operating a public utility or railroad within the local unit of government, and any government entity that registers its name and address for this purpose with the secretary of the planning commission. An entity described in this subdivision that receives a copy of a proposed master plan, or of a final master plan as provided in section 43(5), shall reimburse the local unit of government for any copying and postage costs thereby incurred.

(g) If the proposed master plan is or includes a proposed master street plan, the county road commission and the state transportation department.

(3) An entity described in subsection (2) may submit comments on the proposed master plan to the planning commission in the manner provided in section 39(3) within 63 days after the proposed master plan was submitted to that entity under subsection (2). In that case, after approval of the proposed master plan by the planning commission, the legislative body shall approve or reject the proposed master plan. A statement recording the legislative body's approval of the master plan, signed by the clerk of the legislative body, shall be included on the inside of the front or back cover of the master plan and, if the future land use map is a separate document from the text of the master plan, on the future land use map.

(4) If the legislative body rejects the proposed master plan, the legislative body shall submit to the planning commission a statement of its objections to the proposed master plan. The planning commission shall consider the legislative body's objections and revise the proposed master plan so as to address those objections. The procedures provided in subsections (1) to (3) and this subsection shall be repeated until the legislative body approves the proposed master plan.

(5) Upon final adoption of the master plan, the secretary of the planning commission shall submit, in the manner provided in section 39(3), copies of the adopted master plan to the same entities to which copies of the proposed master plan were required to be submitted under section 41(2).

Sec. 45. (1) An extension, addition, revision, or other amendment to a master plan shall be adopted by following the procedure under sections 39, 41, and 43, subject to all of the following:

(a) Any of the following amendments to a master plan may be made without following the procedure under sections 39, 41, and 43:

(i) A grammatical, typographical, or similar editorial change.

(ii) A title change.

(iii) A change to conform to an adopted plat.

(b) Subject to subdivision (a), the review period provided for in section 41(3) shall be 42 days instead of 63 days.

(c) When a planning commission sends notice to an entity under section 39(2) that it intends to prepare a subplan, the notice may indicate that the local unit of government intends not to provide that entity with further notices of or copies of proposed or final subplans otherwise required to be submitted to that entity under section 39, 41, or 43. Unless the entity responds that it chooses to receive notice of subplans, the local unit of government is not required to provide further notice of subplans to that entity.

(2) At least every 5 years after adoption of a master plan, a planning commission shall review the master plan and determine whether to commence the procedure to amend the master plan or adopt a new master plan. The review and its findings shall be recorded in the minutes of the relevant meeting or meetings of the planning commission.

Sec. 47. (1) Subject to subsection (2), a part of a county master plan covering an incorporated area within the county shall not be recognized as the official master plan or part of the official master plan for that area unless adopted by the appropriate city or village in the manner prescribed by this act.

(2) Subsection (1) does not apply if the incorporated area is subject to county zoning pursuant to the Michigan zoning enabling act, 2006 PA 110, MCL 125.3101 to 125.3702, and a contract under the urban cooperation act, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, or 1967 (Ex Sess) PA 8, MCL 124.531 to 124.536.

Sec. 49. (1) This act does not alter the authority of a planning department of a city or village created by charter to submit a proposed master plan, or a proposed extension, addition, revision, or other amendment to a master plan, to the planning commission, whether directly or indirectly as provided by charter.

(2) Subsection (1) notwithstanding, a planning commission described in subsection (1) shall comply with the requirements of this act.

Sec. 51. (1) To promote public interest in and understanding of the master plan, a planning commission may publish and distribute copies of the master plan or of any report, and employ other means of publicity and education.

(2) A planning commission shall consult with and advise public officials and agencies, public utility companies, civic, educational, professional, and other organizations, and citizens concerning the promotion or implementation of the master plan.

#### ARTICLE IV. SPECIAL PROVISIONS, INCLUDING CAPITAL IMPROVEMENTS AND SUBDIVISION REVIEW

Sec. 61. (1) A street; square, park, playground, public way, ground, or other open space; or public building or other structure shall not be constructed or authorized for construction in an area covered by a municipal master plan unless the location, character, and extent of the street, public way, open space, structure, or utility have been submitted to the planning commission by the legislative body or other body having jurisdiction over the authorization or financing of the project and has been approved by the planning commission. The planning commission shall submit its reasons for approval or disapproval to the body having jurisdiction. If the planning commission disapproves, the body having jurisdiction may overrule the planning commission by a vote of not less than 2/3 of its entire membership for a township that on the enactment date of this act had a planning commission created under former 1931 PA 285, or for a city or village, or by a vote of not less than a majority of its membership for any other township. If the planning commission fails to act within 35 days after submission of the proposal to the planning commission, the project shall be considered to be approved by the planning commission.

(2) Following adoption of the county plan or any part of a county plan and the certification by the county planning commission to the county board of commissioners of a copy of the plan, work shall not be initiated on any project involving the expenditure of money by a county board, department, or agency for the acquisition of land, the erection of structures, or the extension, construction, or improvement of any physical facility by any county board, department, or agency unless a full description of the project, including, but not limited to, its proposed location and extent, has been submitted to the county planning commission and the report and advice of the planning commission on the proposal have been received by the county board of commissioners and by the county board, department, or agency submitting the proposal. However, work on the project may proceed if the planning commission fails to provide in writing its report and advice upon the proposal within 35 days after the proposal is filed with the planning commission. The planning commission shall provide copies of the report and advice to the county board, department, or agency sponsoring the proposal.

Sec. 63. If the opening, widening, or extension of a street, or the acquisition or enlargement of any square, park, playground, or other open space has been approved by a township planning commission that was created before the effective date of this act under former 1931 PA 285 or by a city or village planning commission and authorized by the legislative body as provided under section 61, the legislative body shall not rescind its authorization unless the matter has been resubmitted to the planning commission and the rescission has been approved by the planning commission. The planning commission shall hold a public hearing on the matter. The planning commission shall submit its reasons for approval or disapproval of the rescission to the legislative body. If the planning commission disapproves the rescission, the legislative body may overrule the planning commission by a vote of not less than 2/3 of its entire membership. If the planning commission fails to act within 63 days after submission of the proposed rescission to the planning commission, the proposed rescission shall be considered to be approved by the planning commission.

Sec. 65. (1) To further the desirable future development of the local unit of government under the master plan, a planning commission, after adoption of a master plan, shall annually prepare a capital improvements program of public structures and improvements, unless the planning commission is exempted from this requirement by charter or otherwise. If the planning commission is exempted, the legislative body either shall prepare and adopt a capital improvements program, separate from or as a part of the annual budget, or shall delegate the preparation of the capital improvements program to the chief elected official or a nonelected administrative official, subject to final approval by the legislative body. The capital improvements program shall show those public structures and improvements, in the general order of their priority, that in the commission's judgment will be needed or desirable and can be undertaken within the ensuing 6-year period. The capital improvements program shall be based upon the requirements of the local unit of government for all types of public structures and improvements. Consequently, each agency or department of

the local unit of government with authority for public structures or improvements shall upon request furnish the planning commission with lists, plans, and estimates of time and cost of those public structures and improvements.

(2) Any township may prepare and adopt a capital improvement program. However, subsection (1) is only mandatory for a township if the township, alone or jointly with 1 or more other local units of government, owns or operates a water supply or sewage disposal system.

Sec. 67. A planning commission may recommend to the appropriate public officials programs for public structures and improvements and for the financing thereof, regardless of whether the planning commission is exempted from the requirement to prepare a capital improvements program under section 65.

Sec. 69. If a municipal planning commission has zoning duties pursuant to section 83 and the municipality has adopted a zoning ordinance, the county planning commission, if any, may, by first-class mail or personal delivery, request the municipal planning commission to submit to the county planning commission a copy of the zoning ordinance and any amendments. The municipal planning commission shall submit the requested documents to the county planning commission within 63 days after the request is received and shall submit any future amendments to the zoning ordinance within 63 days after the amendments are adopted. The municipal planning commission may submit a zoning ordinance or amendment under this subsection electronically.

Sec. 71. (1) A planning commission may recommend to the legislative body provisions of an ordinance or rules governing the subdivision of land authorized under section 105 of the land division act, 1967 PA 288, MCL 560.105. If a township is subject to county zoning consistent with section 209 of the Michigan zoning enabling act, 2006 PA 110, MCL 125.3209, or a city or village is subject to county zoning pursuant to the Michigan zoning enabling act, 2006 PA 110, MCL 125.3101 to 125.3702, and a contract under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, or 1967 (Ex Sess) PA 8, MCL 124.531 to 124.536, the county planning commission may recommend to the legislative body of the municipality provisions of an ordinance or rules governing the subdivision of land authorized under section 105 of the land division act, 1967 PA 288, MCL 560.105. A planning commission may proceed under this subsection on its own initiative or upon request of the appropriate legislative body.

(2) Recommendations for a subdivision ordinance or rule may address plat design, including the proper arrangement of streets in relation to other existing or planned streets and to the master plan; adequate and convenient open spaces for traffic, utilities, access of firefighting apparatus, recreation, light, and air; and the avoidance of congestion of population, including minimum width and area of lots. The recommendations may also address the extent to which streets shall be graded and improved and to which water and sewer and other utility mains, piping, or other facilities shall be installed as a condition precedent to the approval of a plat.

(3) Before recommending an ordinance or rule described in subsection (1), the planning commission shall hold a public hearing on the proposed ordinance or rule. The planning commission shall give notice of the time and place of the public hearing not less than 15 days before the hearing by publication in a newspaper of general circulation within the local unit of government.

(4) If a municipality has adopted a master plan or master street plan, the planning commission of that municipality shall review and make recommendations on plats before action thereon by the legislative body under section 112 of the land division act, 1967 PA 288, MCL 560.112. If a township is subject to county zoning consistent with section 209 of the Michigan zoning enabling act, 2006 PA 110, MCL 125.3209, or a city or village is subject to county zoning pursuant to the Michigan zoning enabling act, 2006 PA 110, MCL 125.3101 to 125.3702, and a contract under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, or 1967 (Ex Sess) PA 8, MCL 124.531 to 124.536, and the municipality has adopted a master plan or master street plan, the county planning commission shall also review and make recommendations on plats before action thereon by the legislative body of the municipality under section 112 of the land division act, 1967 PA 288, MCL 560.112.

(5) A planning commission shall not take action on a proposed plat without affording an opportunity for a public hearing thereon. A plat submitted to the planning commission shall contain the name and address of the proprietor or other person to whom notice of a hearing shall be sent. Not less than 15 days before the date of the hearing, notice of the date, time, and place of the hearing shall be sent to that person at that address by mail and shall be published in a newspaper of general circulation in the municipality. Similar notice shall be mailed to the owners of land immediately adjoining the proposed platted land.

(6) A planning commission shall recommend approval, approval with conditions, or disapproval of a plat within 63 days after the plat is submitted to the planning commission. If applicable standards under the land division act, 1967 PA 288, MCL 560.101 to 560.293, and an ordinance or published rules governing the subdivision of land authorized under section 105 of that act, MCL 560.105, are met, the planning commission shall recommend approval of the plat. If the planning commission fails to act within the required period, the plat shall be considered to have been recommended for approval, and a certificate to that effect shall be issued by the planning commission upon request of the proprietor. However, the proprietor may waive this requirement and consent to an extension of the 63-day period. The grounds for any recommendation of disapproval of a plat shall be stated upon the records of the planning commission.

(7) A plat approved by a municipality and recorded under section 172 of the land division act, 1967 PA 288, MCL 560.172, shall be considered to be an amendment to the master plan and a part thereof. Approval of a plat by a municipality does not constitute or effect an acceptance by the public of any street or other open space shown upon the plat.

## ARTICLE V. TRANSITIONAL PROVISIONS AND REPEALER

Sec. 81. (1) Unless rescinded by the local unit of government, any plan adopted or amended under a planning act repealed under section 85 need not be readopted under this act but continues in effect as a master plan under this act, regardless of whether it is entitled a master plan, basic plan, county plan, development plan, guide plan, land use plan, municipal plan, township plan, plan, or any other term. This includes, but is not limited to, a plan prepared by a planning commission and adopted before the effective date of this act to satisfy the requirements of section 1 of the former city and village zoning act, 1921 PA 207, section 3 of the former township zoning act, 1943 PA 184, section 3 of the former county zoning act, 1943 PA 183, or section 203(1) of the Michigan zoning enabling act, 2006 PA 110, MCL 125.3203. The master plan is subject to the requirements of this act, including, but not limited to, the requirement for periodic review under section 45(2) and the amendment procedures set forth in this act. However, the master plan is not subject to the requirements of section 33 until it is first amended under this act.

(2) Unless repealed, a city or home rule village charter provision creating a planning commission before the effective date of this act and any ordinance adopted before the effective date of this act implementing that charter provision continues in effect under this act, and the planning commission need not be newly created by an ordinance adopted under this act. However, both of the following apply:

(a) The legislative body may by ordinance increase the powers and duties of the planning commission to correspond with the powers and duties of a planning commission created under this act. Provisions of this act regarding planning commission powers and duties do not otherwise apply to a planning commission created by charter before the effective date of this act and provisions of this act regarding planning commission membership, appointment, and organization do not apply to such a planning commission. All other provisions of this act, including, but not limited to, provisions regarding planning commission selection of officers, meetings, rules, records, appointment of employees, contracts for services, and expenditures, do apply to such a planning commission.

(b) The legislative body shall amend any ordinance adopted before the effective date of this act to implement the charter provision, or repeal the ordinance and adopt a new ordinance, to fully conform to the requirements of this act made applicable by subdivision (a), by the earlier of the following dates:

(i) The date when an amendatory or new ordinance is first adopted under this act for any purpose.

(ii) July 1, 2011.

(3) Unless repealed, an ordinance creating a planning commission under former 1931 PA 285 or former 1945 PA 282 or a resolution creating a planning commission under former 1959 PA 168 continues in effect under this act, and the planning commission need not be newly created by an ordinance adopted under this act. However, all of the following apply:

(a) Beginning on the effective date of this act, the duties of the planning commission are subject to the requirements of this act.

(b) The legislative body shall amend the ordinance, or repeal the ordinance or resolution and adopt a new ordinance, to fully conform to the requirements of this act by the earlier of the following dates:

(i) The date when an amendatory or new ordinance is first adopted under this act for any purpose.

(ii) July 1, 2011.

(c) An ordinance adopted under subdivision (b) is not subject to referendum.

(4) Unless repealed or rescinded by the legislative body, an ordinance or published rules governing the subdivision of land authorized under section 105 of the land division act, 1967 PA 288, MCL 560.105, need not be readopted under this act or amended to comply with this act but continue in effect under this act. However, if amended, the ordinance or published rules shall be amended under the procedures of this act.

Sec. 83. (1) If, on the effective date of this act, a planning commission had the powers and duties of a zoning board or zoning commission under the former city and village zoning act, 1921 PA 207, the former county zoning act, 1943 PA 183, or the former township zoning act, 1943 PA 184, and under the Michigan zoning enabling act, 2006 PA 110, MCL 125.3101 to 125.3702, the planning commission may continue to exercise those powers and duties without amendment of the ordinance, resolution, or charter provision that created the planning commission.

(2) If, on the effective date of this act, a local unit of government had a planning commission without zoning authority created under former 1931 PA 285, former 1945 PA 282, or former 1959 PA 168, the legislative body may by amendment to the ordinance creating the planning commission, or, if the planning commission was created by resolution, may by resolution, transfer to the planning commission all the powers and duties provided to a zoning board or zoning

commission created under the Michigan zoning enabling act, 2006 PA 110, MCL 125.3101 to 125.3702. If an existing zoning board or zoning commission in the local unit of government is nearing the completion of its draft zoning ordinance, the legislative body shall postpone the transfer of the zoning board's or zoning commission's powers, duties, and records until the completion of the draft zoning ordinance, but is not required to postpone the transfer more than 1 year.

(3) If, on or after the effective date of this act, a planning commission is created in a local unit of government that has had a zoning board or zoning commission since before the effective date of this act, the legislative body shall transfer all the powers, duties, and records of the zoning board or zoning commission to the planning commission before July 1, 2011. If the existing zoning board or zoning commission is nearing the completion of its draft zoning ordinance, the legislative body may, by resolution, postpone the transfer of the zoning board's or zoning commission's powers, duties, and records until the completion of the draft zoning ordinance, but not later than until 1 year after creation of the planning commission or July 1, 2011, whichever comes first.

Sec. 85. (1) The following acts are repealed:

(a) 1931 PA 285, MCL 125.31 to 125.45.

(b) 1945 PA 282, MCL 125.101 to 125.115.

(c) 1959 PA 168, MCL 125.321 to 125.333.

(2) Any plan adopted or amended under an act repealed under subsection (1) is subject to section 81(1).

Enacting section 1. This act takes effect September 1, 2008.

This act is ordered to take immediate effect.
